CAPABILITY STATEMENT

West Coast Fasteners Pty Ltd is the largest independent company in WA for the supply of fasteners, servicing the mining, agricultural, engineering and construction industries with our extensive quality range of industrial fasteners.

We stock a vast variety of fasteners in all makes of materials and sizes in our warehouse in Balcatta in order to meet our clients demands.

We are reliable and mobile and ensure our pricing is highly competitive in the industry.

Our values are all about honesty, group decision-making, commitment and a drive for continuous improvement.

The company's way of doing things is characterised by energy, drive and a sense of urgency. That's why our customers come back time and time again.

Take advantage of our same day delivery (metro only) for all current stock. If you need it fast, West Coast Fasteners will help you get it, so please do not hesitate in contacting us for goods and technical advice.
