# Pirtek Fishing Challenge 2017

It is with great pleasure that we announce the Pirtek communities annual charitable event raising money for vital medical research conducted by the Prostate Cancer Foundation of Australia & the Peter Duncan Neuroscience Research Unit. The event will be held on Sunday 19th of March 2017. This is our 9th year and it is our goal to achieve 9000 anglers for this years event. This will certainly cement the title of the Largest Single Fishing Tournament in the World, another milestone to be proud of.

To date Pirtek has donated over \$780k which has gone directly to improving the understanding of managing & treating illnesses associated with these organisations. We are also grateful for the ongoing support from the other events sponsors in Berkley, Stacer, BCF, Abu Garcia, Spotters Shades, Humminbird & Valvoline which help us pull together a grand prize pool of \$176k.

There will be a national Television Commercial available shortly that will be shown across a number of mediums promoting the event, National Radio, Print & Digital ads, PR appearances by Pirtek Ambassador Michael Guest with an ‘On-the-day’ activation at Wongi Park on the Central Coast NSW featuring a BBQ, the Pure Fishing bait tank & lots of giveaways, ‘How to Enter’ videos on YouTube, ‘How to’ video’s targeting specific species & a Pirtek Fishing Challenge App to help upload your catch, This will also be supported by loads of activity through the other sponsors communication channels greatly expanding the exposure of the Pirtek Fishing Challenge.

Registration is \$25 plus postage & includes an exclusive Pirtek Fishing Cap, brag mat, Pirtek Protect voucher & other sponsor discounts
